# About Us

At AĞASAN MAKİNA, we believe in the limitless power of imagination. We encourage you not to restrict your dreams but to let your ideas flow freely because, at AĞASAN MAKİNA, we turn dreams into reality.

Established in the year 2003 in a small workshop at Beşevler Small Industrial Site, AĞASAN MAKİNA has come a long way. Today, our company proudly operates in a spacious 3,200 square meter facility located in the Nilüfer Organized Industrial Zone.

AĞASAN MAKİNA has earned its reputation as a reliable name in the industry by carefully analyzing the needs of our customers. With a commitment to delivering top-quality service and a forward-thinking approach, we've rapidly grown and continued to develop.

Our specialized machinery includes:

- Custom automation systems
- Customer-specific machine designs
- Mold production and manufacturing

We proudly serve Bursa's leading Automotive and Textile companies. Our machine park includes CNC 3-axis Machining Centers, CNC 5-axis Machining Centers, Large and Small Lathes, Universal Lathes, Mold Mills, Column Drills, Guide Pull Machines, and TIG Welding Machines.

At AĞASAN MAKİNA, we are here to turn your visions into reality, to explore the limitless possibilities, and to make dreams come true.

To emerge as a prominent player in the sectors we operate, and stand among Turkey's foremost enterprises.

**MISSION** To engineer and produce machinery, apparatus, molds, fixtures, and industrial equipment, catering to the needs of the automotive, textile, food, and construction industries.
